Community & Economic Development Department

Business and Economic Development

OUR COMMITMENT TO BUSINESS AND ECONOMIC DEVELOPMENT:

The City of Mount Vernon believes new investment and job creation are key to our economic success. To attract new businesses and ensure the continued success of our existing businesses, the City is committed to providing personal assistance when navigating through the process of starting, relocating or expanding a business. Our department is organized to provide information on all aspects of development and business location or re-location.

A FEW WAYS WE CAN HELP:

- Free pre-application meetings to assist you in determining critical code and/or permitting requirements;
- Location and relocation assistance;
- Essential information to assist you with understanding the market place in Mount Vernon;
- Critical infrastructure and utility information can be quickly provided;
- Facilitation of project permitting; and,
- Streamlined and extremely timely permit processes.
