

June 13, 2018

Reference: Street restoration and resurfacing

Dear Mount Vernon Residents and Business Owners:

WHAT IS THIS ABOUT? This letter is to notify you that beginning **Monday, June 18, 2018**, construction crews will be working in your neighborhood as part of a City-wide project to improve sidewalk ramps and roads in Mount Vernon. Work crews may begin as early as 6:30 am and should be done by 6:30 pm. The construction crew will ensure that you have access to your home or business. All work is weather dependent and may be rescheduled if necessary. Construction is expected to be completed by the end of September, 2018.

WHY IS THIS IMPORTANT? We want you to know ahead of time that this work will be taking place in your neighborhood so that you may plan for it and hopefully minimize impacts to your regular business during this time.

HOW CAN YOU HELP? We are requesting that your cars or other vehicles in the right of way be moved temporarily as needed to allow crews and equipment to safely do their work. You may also need to travel through detours or through flagging operations through the construction zone.

DO YOU WANT TO LEARN MORE? Please feel free to contact the Public Works Department (see below) if you have questions or concerns. We regret any inconvenience to you and appreciate your cooperation in helping us to repair and maintain the City's streets for the benefit of you and the rest of our community.

AGENCY:	CONTACT NUMBER:	WEBSITE:
