MOUNT VERNON—A driver and her three children were pulled from their overturned vehicle on Little Mountain Road, just east of Little Mountain Park entrance, at approximately 8:30 a.m. this morning.

Mount Vernon Fire and Police Departments responded to a call for the single vehicle crash, with a report that the vehicle was upside down in water.

Bystanders approaching the accident were responsible for removing all four of the occupants from the vehicle. MVFD paramedics evaluated the driver and three passengers, and determined that none of the occupants had sustained any injuries during the accident.

MVPD is conducting an investigation into the cause of the accident, and working to remove the vehicle from the wetland.
