Student Library Card Program

How to use your MVSD student library account

CHECK OUT BOOKS AND OTHER LIBRARY MATERIALS

AT THE LIBRARY

- Students can check out up to 5 items at a time. Only 1 DVD or audiovisual item at a time.

- Library staff will need your child's name and/or student number to check out items to them.

- If your child has a Student ID card with a barcode, their ID card can be used as their library card. They can use it at any of our self-check machines.

- Most library materials are checked out for a 3 week period.

- Renew items online, or by calling or emailing the library.

- Ask for a free student card with their student ID printed on the back.

CHECK OUT EBOOKS AND AUDIOBOOKS

USE OUR ONLINE LIBRARY

- Download the free Libby app to borrow items from our online library.

- A student's library card number is the same as their student number (hint, it's their chromebook password). The PIN is their 4-digit birth year.

- With Libby you can download ebooks, digital audiobooks, and magazines. In the app choose 'Mount Vernon City Library' and sign in with your library card number and PIN.

ONLINE LEARNING RESOURCES

ON OUR WEBSITE

- Students have access to online learning tools with standards-aligned content to help with papers, projects, and presentations, while empowering critical thinking and information literacy skills.

- Visit our website to get started. www.mountvernonwa.gov/library
  - Select the *Research and Learn* tab at the top of the page.

- Students can access these tools anytime using their library card number (student ID number) and PIN (4 digit birth year).
