

CITY FILE: Little Mountain Wireless 30 ft. Tower Extension ([PLAN25-0143](#))

The City is reviewing an application for a 30 ft. tower extension on an existing lattice tower to accommodate ICOM911 emergency services. The extension of the tower will increase the height from 130 ft to 160 ft. There is no impact to the existing ground area or fenced area.

The 30 ft. extension will add important communication coverage for ICOM911 emergency response teams. The tower is not lighted.

The FCC form 854 File number is **1316565** and may be reviewed by ASR registration search.

Interested persons may raise environmental concerns about the proposed structure by filing a Request for Environmental Review with the Federal Communications Commission ("FCC"). The FCC requires interested parties to file Requests for Environmental Review online. instructions for making such filings can be found at:

[www.fcc.gov/asr/environmentalrequest](http://www.fcc.gov/asr/environmentalrequest)

**LOCATION:**

The property address is: 3280 Little Mountain Park Rd, Mount Vernon, Washington 98274, parcel no. P29653, otherwise known as Little Mountain Park.
