Harry,

Attached is a revised APE that addresses your comments. Thank you for your input on citing exemptions for this project.

Best Regards,

Ross

Per Trent deBoer, I disagree that the proposed project is exempt under A-17 and A-21. I do agree that the proposed project is exempt under A-13 and A-17. With that said, project is exempt under exemptions A-13 and A-17. Revise your Section 106 documentation accordingly. No further Section 106 consultation required.

Hi Harry,

I've attached an APE to submit for the College Way Widening project in Mount Vernon. I look forward to hearing back from you about your determination.

Thank you,

Ross

Presumably I can advise exempt under A-13 and A-17, and no further Section 106 consultation required?
