

## IMPACT FEE SUMMARY - 2020

**IMPACT FEES:** Impact fees are one-time charges imposed for development projects that are impacting the City’s transportation systems, parks, or fire protection facilities. Impact fees collected by the City are used to help pay for new or expanded public facilities (i.e. roads, fire protection or parks). The fees collected directly and proportionally address the increased demand for these facilities created by the new development.

### MOUNT VERNON SCHOOL DISTRICT IMPACT FEES

The Mount Vernon School District (District) determines the below-listed impact fees. Questions or concerns about school impact fees should be addressed to the District, not the City. The District can be contact at: (360) 428-6110.
